

### CLARIFICATION MEMO #3

TO: Registered Bidders  
CCDC Website

FROM: Pam Sheldon, Contracts Manager

DATE: December 16, 2011

SUBJECT: DPPS Parking Operator RFP

---

We received the following question by the due date of December 14, 2011 for written questions and requests for clarification.

- 1. The RFP includes the following statement in Section B.3: “The parking operator is expected to provide a health insurance coverage plan as part of employee benefits.”**

**Do proposals have to provide existing level of coverage? By defining a level of coverage creates an even comparison from proposers. Currently employees do not pay a premium on their policy, do (you) anticipate that continuing?**

Answer: Each Respondent should describe the type of health plan they propose to offer employees working for the DPPS, and the estimated annual cost for this health plan, without reference to the existing benefits provided to DPPS employees. Addendum No. 2 adds a new section H.5.i.iii to provide more detailed instructions on this issue. (See Addendum No. 2.)
